B: From waist just above hips to just below ankle

C: $(A/2) - 2\text{in}$

D: $B + 1/2\text{in}$

E: $(C \times 2) + 1\text{in}$

F: 7in

Instructions:

- Use knit fabric
- Wash and dry all material before use
- Use a 1/2in seam
- Use a 2.5 straight stitch or surge seams

Step 1: Using knit fabric of your choice, cut out pattern pieces according to your measurements with careful attention to grain.

Step 2: With right sides together stitch down sides F on band.

Step 3: With right sides together stitch down sides D on body.

Step 4: With wrong sides together fold band in half horizontally. With a 5.0 straight stitch, baste the open end of the band closed.

Step 5: With right sides together pin the basted edge of the band around the raw edge of the top of the body. Stitch closed.
